Dear Dr. Jun Surjanti,

Greetings from the journal!

We would like to inform you that being an eminent author you may know that lot of work is involved at the background of publishing where we work on pagination, indexing and other aspect. Right from pre-QC to the final making of the PDF and full text, DOI activation and promoting published papers in leading social networking sites needs minimum amount of work force, which is supported by the Article Processing Charges.

As we are an open access, we will not have any subscriptions for the viewers. The article is maintained online on the funds shared by the eminent authors like you. Published articles are indexed in SCIMAGO, Google Scholar, PROQUEST, CENGAGE GALE, SCOPUS, EBSCO, LEXIS NEXIS, UGC and many other databases. For these indexing we need to pay them.

For the details of processing charge kindly follow the bellow link:

Dear Dr. Jun Surjanti,

Greetings from the journal!

I think you have a little confusion about the article processing charge.

No. of pages	Article Processing Charge Per Page
0-5	USD 60
6-15	USD 300 + USD 80 per additional page > 5
16 onwards	USD 1100 + USD 99 per additional page > 15

For 14 pages you have to pay \$[300 (For first 5 page) +(80*9) (for page no 6-14) +19 (Processing Charge)] = \$1039 as the processing charge.

I would also like to inform you that your article is now in Proof Correction Stage. Once we build PDF for your article then we will send you for galley proof along with Invoice and bank details.

Please feel free to contact me if you have any other queries regarding this.

Hope to hear from you soon.

Have a nice day ahead!
