Dr. Arie Wardhono:

Thank you for uploading your presentation, "Flow Ability and Strength Properties of High Volume of Fly Ash Material on Self-Compacting Concrete" to MISEIC. With the online conference management system that we are using, you will be able to track its progress through the editorial process by logging in to the conference web site:

Submission URL:

<http://miseic.conference.unesa.ac.id/index.php/ocs/miseic2020/author/submission/2765>

Username: ariew1973

If you have any questions, please contact me. Thank you for considering this conference as a venue for your work.

Dear Dr. Arie Wardhono:

Congratulations, your abstract Flow Ability and Strength Properties of High Volume of Fly Ash Material on Self-Compacting Concrete has been accepted for presentation at MISEIC which is being held 2020-10-03 at Surabaya.

For further instructions, please read the attached invitation letter.

Please accept our deepest apologies for delaying in sending this information. Thank you and looking forward to your participation in this event.

Dear Dr. Arie Wardhono,

After a careful review of your submission, "Flow Ability and Strength Properties of High Volume of Fly Ash Material on Self-Compacting Concrete" will be considered for publication at IOP if the following revisions are successfully implemented.

Here, there are five attached files, namely, the letter of acceptance, the reviewed paper, the statement letter, plagiarism checker result and the template.

Thank you for your participation in this event.
