------------------------------------------------------
Reviewer A:
Recommendation: Revisions Required

------------------------------------------------------

1. **Title** - whether it reflects the essence of the inscription (external, method, the novelty aspect), does not bring up
the research object, there is no abbreviation, specific, and effective (straightforward and informative)

*{1. Judul - apakah sudah mencerminkan inti dari tulisan (luaran, metode, aspek kebaruan), tidak memunculkan
obyek penelitian, tidak ada singkatan, spesifik, dan efektif (lugas dan informatif)}*

    Yes (Ya)

2. Does "**abstract** " already describe the phenomenon, aim, methods and results of the research. Please give
comments one by one from four things

*{2. Apakah "abstrak" sudah menggambarkan fenomena, tujuan, metode dan hasil penelitian. Silahkan diberi
komentar satu per satu dari empat hal}*

    abstrak belum memuat teori new media yang related dengan unit analisis

3. **Key Words** consist of 3-5 words, it is used to trace the relevant manuscript, avoid adjectives

*{3. Kata Kunci terdiri 3-5 kata, ia digunakan untuk menelusuri manuskrip yang relevan, hindari kata sifat}*

sudah cukup

## 4. **Introduction**

The novelty of used data, clarity of research objectives, the accuracy of use of research methods, explanation of previous studies

*{4.Â Pendahuluan*

*Kebaruan data yang dipakai, kejelasan tujuan penelitian, ketepatan penggunaan metode penelitian, penjelasan penelitian terdahulu}*

cukup baik

## 5. Must be complete and detailed from design of research, subject or object of research, collection and measurement of data and analysis of data

*{5. Harus lengkap dan terperinci mulai dari desain penelitian, subyek atau obyek penelitian, pengumpulan dan pengukuran data dan analisis data}*

baik

## 6. **Results and discussion**,Â give comments if both are feasible or there is still a lack of explanation

*{6. **Hasil dan Pembahasan**, berikan komentar jika keduanya sudah layak atau masih ada kekurangan penjelasan}*

dalam pembahasan, penulis belum menyertakan teori utama yang digunakan untuk menganalisis variabel2 riset

## 7. **Conclusion**

Created in one paragraph based on the research results, not displaying images or tables

*{7. **Kesimpulan***

*Dibuat dalam satu paragraf berdasarkan hasil penelitian, tidak menampilkan gambar atau tabel}*

Yes {Ya}

## 8. **References**
Writing using Mendeley (American Sociological Association Style) with regard to: (A. More than 20 references from the source can be accounted for; B. More than 80% of the references from the journal articles and proceedings; c. More than 80% publications Last 10 years)

*{8. **Referensi***

*Penulisan menggunakan Mendeley (American Sociological Association Style) dengan memperhatikan: (a. Lebih dari 20 sumber referensi; b. Lebih dari 80% referensi dari artikel jurnal dan prosiding; c. Lebih dari 80% terbitan 10 tahun terakhir)}Â*

cukup

## 9. **Additional notes**Â reviewer (if required)

*{9. **Catatan tambahan**Â reviewer (jika diperlukan)}*

perlu revisi sedikit

10. **Reviewer Conclusion, Â** Circle Scoring Score

*{10.Â **Kesimpulan Reviewer,Â** Lingkari Skor Penilaian}*

2. Score 0 = bad, 1 = moderate, 2 = enough, 3 = good, 4 = very good (*Skor 0 = buruk, 1 = sedang, 2 = cukup, 3 = baik, 4 = sangat baik*)

     Score 3 = good/ Nilai 3 = baik

11. **Suggested Evaluation Results**:

*(11. **Hasil Evaluasi Yang Disarankan**:)*

     B. Accepted with Minor Revisions/ Diterima Dengan Revisi Minor

---------------------------------------------------

---------------------------------------------------
Reviewer B:
Recommendation: Accept Submission

---------------------------------------------------

1. **TitleÂ** - whether it reflects the essence of the inscription (external, method, the novelty aspect), does not bring up the research object, there is no abbreviation, specific, and effective (straightforward and informative)

*{1. **JudulÂ** - apakah sudah mencerminkan inti dari tulisan (luaran, metode, aspek kebaruan), tidak memunculkan obyek penelitian, tidak ada singkatan, spesifik, dan efektif (lugas dan informatif)}*

     Yes (Ya)

2. DoesÂ **"abstract "** already describe the phenomenon, aim, methods and results of the research.Â Please give comments one by one from four things

*{2. Apakah **"abstrak"Â** sudah menggambarkan fenomena, tujuan, metode dan hasil penelitian. Silahkan diberi komentar satu per satu dari empat hal}*

     Phenomenon - good
     Aim - good
     Methode - good
     Result - good

3. **Key Words** consist of 3-5 words, it is used to trace the relevant manuscript, avoid adjectives

*{3. **Kata Kunci** terdiri 3-5 kata, ia digunakan untuk menelusuri manuskrip yang relevan, hindari kata sifat}*

     Social Media, Resilience, Rural Communities, Covid-19

4. **Introduction**

The novelty of used data, clarity of research objectives, the accuracy of use of research methods, explanation of

previous studies

{4.Â *Pendahuluan*

*Kebaruan data yang dipakai, kejelasan tujuan penelitian, ketepatan penggunaan metode penelitian, penjelasan penelitian terdahulu*}

It's very good since it fulfils research objective

5. Must be complete and detailed from design of research, subject or object of research, collection and measurement of data and analysis of data

{5. *Harus lengkap dan terperinci mulai dari desain penelitian, subyek atau obyek penelitian, pengumpulan dan pengukuran data dan analisis data*}

it is good very good

6. **Results and discussion**,Â give comments if both are feasible or there is still a lack of explanation

{6. ***Hasil dan Pembahasan***, *berikan komentar jika keduanya sudah layak atau masih ada kekurangan penjelasan*}

very good

7. **Conclusion**

Created in one paragraph based on the research results, not displaying images or tables

{7. ***Kesimpulan***

*Dibuat dalam satu paragraf berdasarkan hasil penelitian, tidak menampilkan gambar atau tabel*}

Yes {Ya}

8. **References**
Writing using Mendeley (American Sociological Association Style) with regard to: (A. More than 20 references from the source can be accounted for; B. More than 80% of the references from the journal articles and proceedings; c. More than 80% publications Last 10 years)

{8. *Referensi*

*Penulisan menggunakan Mendeley (American Sociological Association Style) dengan memperhatikan: (a. Lebih dari 20 sumber referensi; b. Lebih dari 80% referensi dari artikel jurnal dan prosiding; c. Lebih dari 80% terbitan 10 tahun terakhir)*}Â

Yes... it fulfills Mendeley

9. **Additional notes**Â reviewer (if required)

{9. ***Catatan tambahan***Â *reviewer (jika diperlukan)*}

--

10. **Reviewer Conclusion,Â** Circle Scoring Score

{10.Â ***Kesimpulan Reviewer,Â*** *Lingkari Skor Penilaian*}

2. Score 0 = bad, 1 = moderate, 2 = enough, 3 = good, 4 = very good (*Skor 0 = buruk, 1 = sedang, 2 = cukup, 3 = baik, 4 = sangat baik*)

Score 4 = very good/ Nilai 4 = sangat baik

11. **Suggested Evaluation Results**:

*(11. **Hasil Evaluasi Yang Disarankan**:)*

A. Accepted Directly/ Diterima Langsung
