Best regard Muhaji - Mangil:

We have reached a decision regarding your submission to International Journal of Renewable Energy Development (IJRED), "Combustion of Pure, Hydrolyzed and Methyl Ester form of Jatropha Curcas Lin oil".

Our decision is to: ACCEPT with revision

Please find the reviewer comments below:

#1. The paper is quite interesting and worth to be published in the journal. The content of paper substantially can be accepted , however, there are English issue which need more revision by the English expert or native. Please kindly revise it.

Your manuscript is now accepted but the revision is required. Please send the revision within 4 weeks from this date.

Dr H Hadiyanto

Dear Muhaji

Please revise again your manuscript. It seems that you need to consult to the English editor before it is submitted to the journal.

The English is very poor and need much revision on this although the experimental result was quite interesting.

Look forward to hear from you

Kind regards

Hadiyanto <hadiyanto@live.undip.ac.id>

Dear Reader

International Journal of Renewable Energy Development (IJRED) has just published its latest issue at <http://ejournal.undip.ac.id/index.php/ijred>. We invite you to review the Table of Contents here and then visit our web site to review articles and items of interest.

Moreover, this year, the journal also indexed in Emerging Source of Citation Index(ESCI) produced by Thomson Reuters. Indeed this success is because of your role and contribution to the journal.

Thanks for the continuing interest in our work,
Dr H Hadiyanto
