Dear: Editor-in-Chief
The Open Psychology Journal

We have submit the manuscript entitled "Development and Validation of Instrument to Measure Thinking Pattern: A structural equation modelling analysis" as an article to your Journal. I believe my work can be fit to the main scope of the journal. I declare that I don't have enough money to pay for publications. Therefore, I request a policy to be released from publishing fees.

We would like to express our appreciation in advance for your kind consideration of this paper. If you require any information, please do not hesitate to contact us.

Sincerely,
Ali Maksum

Submission Title: Development and Validation of Instrument to Measure Thinking Patterns: A Structural Equation Modelling Analysis

Dear Dr. Ali Maksum,

Thank you for your submission to "The Open Psychology Journal". It will be sent to the Editor in Chief for his initial provisional approval, and once this is obtained for peer-reviewing, on the understanding that the manuscript contains original work that has neither been published earlier nor has simultaneously been submitted elsewhere. In case this is not so, please let us know immediately.

Please note that Bentham Open uses CrossCheck's iThenticate software to check for similarities between the submitted and already published material to minimize any chances of plagiarism.

Submission Title: Development and Validation of Instrument to Measure Thinking Patterns: A Structural Equation Modelling Analysis

Dear Dr. Ali Maksum,

Thanks for submitting the manuscript to "The Open Psychology Journal". Your manuscript has been reviewed by experts in the field, and the consensus is that it needs significant revision keeping in consideration the comments given below. You are encouraged to address the comments of the reviewers and carefully revise the manuscript, highlighting the exact changes made in the manuscript.

You are kindly requested to please provide:

- 1) An itemized response sheet.
- 2) A revised paper with the highlights as addressed all issues and required corrections/changes.
- 3) A revised paper without highlights

Publication policy requires the return of your revised manuscript latest within two weeks of the safe receipt of this message.

Furthermore, please note that Bentham ONLY accepts articles written in good English for publication.

Authors who are not native English speakers, should please ensure to have their article corrected by a native English speaker or by a professional language editor for any grammatical, semantical/stylistic and typographical errors.

Publication? - alimaksum@unesa

Dear Editor In-Chief
The Open Psychology Journal

We received information by email that our manuscript was "accepted" on April 14, 2020. Furthermore, we were asked to pay a publishing fee and on April 29, 2020 we paid. After that, we ask you when will our manuscript be published? You answered that the manuscript will be published in the next week. In fact, until now it has not been published. Please give us definite information.

Thank you.

Sincerely,
Ali Maksum
