Dear Editor-in-Chief
Problems of Education in the 21st Century

I would like to inform you that I submitted the manuscript entitled "How learning climate, thinking pattern, and curiosity influences academic performance: A structural equation modelling analysis" as an article to your Journal via your website on November 11, 2019. We wish to know if this a cause for concern. Please let us know as soon as possible when we can expect them.

We would like to express our appreciation in advance for your kind consideration of this paper. If you require any information, please do not hesitate to contact us.

Sincerely,
Ali Maksum
State University of Surabaya, Indonesia
