Dear Authors,

We are delighted to let you know that your paper is accepted **without/minor/major** revisions to be presented at the International Conference on Sport Science, Health, and Physical Education (ICSSHPE) and to be proposed to publish in **IOP Serial Conference: Materials Science and Engineering**. We truly appreciate your patience and kind understanding on the efforts and time we take to complete the review process.

Attached, please find the notes on the required revisions, which should be carefully fulfilled. Please also be advised that unsatisfying revisions may result in the publisher's rejection. The revised version should be submitted online no later than **11th November 2016**.

Thank you very much for your continuous support to the ICSSHPE 2016. We look forward to receiving your revised paper soon.

Sincerely,

The Organizing Committee
