[ICRACOS 2021] Editorial Decision on Paper ID: #569

1 message

ICRACOS 2021 <icracos@unesa.ac.id>
To: Mr Dany Iman Santoso <dany santoso@unesa.ac.id>

Wed, Aug 4, 2021 at 11:56 AM

Dear Mr Dany Iman Santoso:

First of all, we would like to appreciate you for submitting your article with paper ID: #569 with entitled, " INVESTIGATION OF THE DROPLET PROPERTIES ALONG THEIR TRAJECTORY IN THE COOLING TOWER " to the International Conference on Research and Academic Community Services (ICRACOS).

After a careful review process of your submission, congratulations, your article will be considered for proceed to the presentation stage at the ICRACOS 2021 and will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and Quality requirement. The International Conference on Research and Academic Community Services (ICRACOS) will be held on 2021-10-09 at Surabaya with virtually event.

Please note that the final manuscripts must be uploaded, and the conference fee has to be paid before uploading the pre-recorded presentation. Although the presentation of the paper is recorded before the conference day, the presenter must prepare to present at the designed time slot during the video playback as well as the Q&A session on the day of the conference.

This e-mail includes some information for your paper registration process:

1. Revision of your paper
2. The review result of your manuscript
3. Payment of publication fee
4. ICRACOS telegram group

Please read carefully the below guidelines!

1. Revision of your paper

Please revise your paper based on the reviewer's suggestions (the reviewers input in the last of this email) and used in *.doc or *.docx file format deadline August 27, 2021. To comply with the ICRACOS publication guidelines, please re-check the layout of your paper. The paper must follow the publication guidelines according to the accepted article.

Please revise your article and make sure that your revised full paper submission has similarity indexed no more than 20% (We will help to check it)

Several components of the paper where mistakes are common includes:

1. Tables
2. Captions
3. Gaps/blank spaces in writing
4. Picture resolution (min. 300dpi)
5. Figure placement
6. References
7. Equations (they should not be figures, but real equations)

All of the figures, tables, and diagrams should be cited in the paragraph.

Please send your revised paper to OCS system

<http://icracos.lppm.unesa.ac.id/conference/index.php/ICRACOS/2021/login>

Full Paper Revision Deadline: August 27, 2021

And also fill the google form in the link below for registration:

unesa.me/RegistrationFormICRACOS2021

You can edit the google form that you have sent. You could send the revised article first and send it to google form and then prepare your video

presentation. Registration deadline: September 17, 2021

The selected article that will be submitted to IEEE publications should fill the e-copyright. We will contact the author by email or telephone number to organize it. Please fill the registration form to support it. We will manage the pdf express because your article is still in proofread process and we would add the conference name in the header and the ISBN in the footer

If your papers still do not comply with the ICRACOS format and failed to meet this requirement resulted in the paper not being published in the proceeding. Please complete the author names and affiliations for the final manuscript. (Please make sure it is because you are not allowed to change it after the final manuscript is submitted).

2. The review result at the end of an email.

3. Pay the registration fee and publication fee

Bank Name : Bank Tabungan Negara (BTN)

Virtual Account: 9422091417209140102

Account Name: ICRACOS

“ Only certain articles at the discretion of the ICRACOS committee will have the registration fee waived”

4, Please join the ICRACOS telegram group

Sat, Oct 9, 2021 at 11:37 AM

Dear Author

Here in the attachment file is the Program book that contains the author's abstract. We are sorry the program book is still incomplete because there are some authors who are late in sending data.

All of the authors should attend in the parallel room although the presentation is delivered by video recording. We will not include the article to the publisher if the author do not attend the conference

Thank you very much
