Comments to the Author:

We have replaced the table. However, we just found out that the manuscript was wrongly written as we required the References in text should be numbered in parenthesis [e.g. (1), (1,3), (1,3-5)] and cited consecutively in the order of appearance in the manuscript. Please refer to the sample manuscript.

Kind regards,

Dear Author,

Please find the proof of your article for MJMHS VOL 18 (SUPP xx) xxxx 2022. We would appreciate it if you could submit your corrections by indicating on the pdf file itself. If we do not hear anything from your side by end of September 2022 before 5pm we would assume that this proof is acceptable.

Please ignore the number of pages and the name of volume as we are not yet finalizing the pages.

Thank you and best regards,
