Dear Mrs. Roselina Ekawati,

We have reached a decision regarding your submission to Infinity Journal, "Primary Students' Mathematical Literacy: A Case of Indonesia".

Our decision is to Revisions Required

Please highlight the changes to your manuscript within the document by using the track changes mode in MS Word or by using bold or colored text.

Once the revised manuscript is prepared, you can upload it and submit it to your Author Center. The Article revision at the latest we receive on February 10, 2020.

When submitting your revised manuscript, you will be able to respond to the comments made by the reviewer(s) in the space provided. You can use this space to document any changes you make to the original manuscript. In order to expedite the processing of the revised manuscript, please be as specific as possible in your response to the reviewer(s).

Thank you for your attention.  
Sincerely,

Rully Charitas Indra Prahmana

I think that that this study is a valuable study. However, the paper needs some major improvements. All my recommendations are presented on the paper. There are many typos and grammar errors that make it hard to read the paper. A very careful edit is needed, perhaps by a professional editor or a native English speaker. Findings of the study needs to be discussed in a way to increase the contribution of the study to the field.
