Dear Prof. Rudianto Artiono:

Thank you for submitting the manuscript, "Co-infection model for Covid-19
and Rubella with vaccination treatment: stability and threshold" to
Communications in Mathematical Biology and Neuroscience. With the online
journal management system that we are using, you will be able to track its
progress through the editorial process by logging in to the journal web
site:

Manuscript URL: http://scik.org/index.php/cmbn/author/submission/6973
Username: rudianto_82

If you have any questions, please contact me. Thank you for considering this
journal as a venue for your work.

Dear Rudianto Artiono:

Following the review of your Research Article titled "Co-infection model for Covid-19 and Rubella with vaccination treatment: stability and threshold", I am delighted to inform you that your manuscript is now officially accepted for publication in Communications in Mathematical Biology and Neuroscience (CMBN).

Please download the template of CMBN at

http://scik.org/index.php/cmbn/pages/view/templates

and send the source (.tex or .docx) files of your final version within one week, to the following email address:

office@scik.org

CMBN is an open access journal distributed under the Creative Commons Attribution License, which permits unrestricted and free use, distribution, and reproduction in any medium, provided the original work is properly cited.

To cover the cost for providing article processing service and free access to readers, authors pay an article processing charge (APC) for each accepted manuscript.

Total amount for each accepted manuscript: USD 300.

Online Payment: https://p.scik.org/cmbn.php

Please let us know if you would like to use a different method of payment.

Your prompt action would be appreciated. Thank you for submitting your work to CMBN.

Best regards,

Bruce Young

Final version of manuscript and successful transaction
5 messages

Rudianto Artiono <rudiantoartiono@unesa.ac.id>   Wed, Jan 5, 2022 at 7:45 PM
To: SCIK <office@scik.org>

Dear Bruce Young,

Thank you for letting me know that my manuscript is officially accepted for publication in Communication in Mathematical Biology and Neuroscience (CMBN).

Here, please find the attached file of my final version article with the title "CO-INFECTION MODEL FOR COVID-19 AND RUBELLA WITH VACCINATION TREATMENT: STABILITY AND THRESHOLD".

Please also find the attached file of my successful transaction for online payment. Thank you.

Best regards,
Rudianto Artiono

Dear Rudianto Artiono,

This is to confirm the receipt of your payment and the source file. A PDF file of the galley-proofs will be sent via email to you for proofreading.

Best regards

Dear Rudianto Artiono,

Please find the attached galley-proofs of your accepted manuscript. Please check it and send us your corrections (preferable as a list, indicating the pages, line numbers) within one week.
Please ensure that the following important items are correct (this is the last chance to make changes to your paper):
title of your paper; names of all authors; addresses and postcodes; e-mail address of corresponding author; funding (if any); equations.

Please also send us a confirmation email if no corrections are needed.

Best regards

Dear Bruce Young,

Thank you for your email.

I'm happy with the galley-proofs and no corrections are needed. Everything is just perfect. Thank you so much.

My best
