Dear Authors: Widi Ariwibowo,

We are pleased to inform you that your Full Paper (Paper ID #573), entitled:

### **Implementation Of The Arithmetic Optimization Algorithm For Economic Load Dispatch**

has been reviewed and accepted for continuing to be presented to “2021 the 3rd International Conference On Research and Academic Community Services (ICRACOS)”. The ICRACOS 2021 will be held from 9 to 10 October 2021 in the virtual event. Your article will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and Quality requirement. Here we are sending a Letter of Acceptance (LOA).

Thank you for your participation,

Best regards,

Conference Chair

Dear Author

Here in the attachment file is the Program book that contains the author's abstract. We are sorry the program book is still incomplete because there are some authors who are late in sending data.

All of the authors should attend in the parallel room although the presentation is delivered by video recording. We will not include the article to the publisher if the author do not attend the conference

Thank you very much
