Please provide your full address

The recent published issues (July 31, 2016) are being printed and will be SENT OUT FROM OUR PRINTING FACILITY around August 22, 2016.

We need your FULL Address for hard copies shipping via Airmail from our printing contractor. (it's not a courier service. Based on our previous record, the package can usually reach your address between 25 days to 45 days starting from the sending out time (it also depends the speed of your local postal service))

Please write the following information clearly and send back to me

by **REPLYING THIS EMAIL DIRECTLY. DON'T CHANGE THE TITLE OF THE EMAIL** and please **DON'T** send any attachments,

Receiver's name:

P.O. Box or Office/Street Number

City/State/Province/Country information;

Pin or Postcode which may help

Any other information that can be written on the envelope and help your local postal service to send the package correctly, such as cell phone number.

Please NOTE:

1. Please help to make sure the address is the one with which you always receive English letters via Normal Postal Service. Don't send me any address which your local postman is not familiar with or you never used before.
2. This is the last request. If you still cannot provide your address within 96 hours, we probably won't be able to send the hard copies to your address in future.
3. This email address is only for address collection. Any other inquiries should be directed to your editor. This email JUST collects addresses and it won't answer any inquiry
4. Please wait patiently. We will use normal international post (it's not a courier), it's not as fast as we communicate via email.

Thanks very much for your help.

Regards,

Journal Printing and Shipping Team
