Dear Researcher(s),

[Journal of Intercultural Communication \(JICC\)](#) publishes original works that advance both empirical and theoretical understanding as a form of design to be studied as a design science.

We are happy to announce that the first **full issue** of the journal has arrived and is **now available** for you to read, including 6 brand-new research articles and an introductory essay! Get to know the editorial board and read the full issue now.

JICC publishes high-quality conceptual and empirical works that advance our knowledge of social sciences. In addition to traditional papers, JICC will also publish work that introduces and evaluates tools and methods under communication and cultural studies. Suitable topics include, but are not limited to:

- Communication
- Cultural Studies
- Management
- Education
- Psychology
- Sociology

Contribute to the development of useful design knowledge and submit your work.

Journal of Intercultural Communication (JICC) is a hybrid open-access and [Scopus-indexed](#) journal that offers open-access options. [Find out more about open access at our website](#).
