Dear Editorial Team
International Journal of Emerging Technologies in Learning

I would like to submit my manuscript to be published in your journal. My manuscript is entitled "Analysis of Perceived Usefulness, Perceived Ease of Use, and Perceived Risk toward Online Shopping in the Era of Covid-19 Pandemic". I personally think that the issue of my manuscript is relevant with the conditions that occur nowadays, as people limit themselves to go outside and prefer to stay at home; thus they fulfill their needs by shopping online.

I hope you can consider my manuscript to be published in your journal.

Thank you. I am looking forward to hearing from you.

Regards,
Sri Setyo Iriani

Dear Editor,

I was told by my colleague, Mukarto Siswoyo, who gets his paper accepted in your journal that he could complete the payment using credit card to pay online.

I could not go the bank because the situation in my city is not safe yet due to covid-19, so I paid with the link in my colleague's invoice.

I send it using this link: <https://myrespub.com/my-research-publication-fees/>

I hope you can understand. Thank you.
