Dear Editor,

Thank you for sending the galley-proofs file.

Attached is the correction list based of that file. The remaining parts of the paper, other than what in the list, are correct and please leave it as it is.

Thank you

Best regards,

Abadi

Dear Abadi,

Please find the attached galley-proofs of your accepted manuscript. Please check it and send us your corrections (preferable as a list, indicating the pages, line numbers) within one week.

Please ensure that the following important items are correct (this is the last chance to make changes to your paper):

title of your paper; names of all authors; addresses and postcodes; e-mail address of corresponding author; funding (if any); equations.

Please also send us a confirmation email if no corrections are needed.

Best regards

Dear Abadi:

Following the review of your Research Article titled "THE DYNAMICS OF RUBELLA VIRUS WITH TWO-DOSE VACCINATION STRATEGY", I am delighted to inform you that your manuscript is now officially accepted for publication in Communications in Mathematical Biology and Neuroscience (CMBN).

Please download the template of CMBN at

<http://scik.org/authors/templates.zip>

and send the source (.tex or .docx) files of your final version within one week, to the following email address:

office@scik.org

CMBN is an open access journal distributed under the Creative Commons Attribution License, which permits unrestricted and free use, distribution, and reproduction in any medium, provided the original work is properly cited.

To cover the cost for providing article processing service and free access to readers, authors pay an article processing charge (APC) for each accepted manuscript.

Total amount for each accepted manuscript: USD 300.

Online Payment: <https://p.scik.org/cmbn.php>

Please let us know if you would like to use a different method of payment.

Your prompt action would be appreciated. Thank you for submitting your work to CMBN.

Best regards

Dear Prof. Abadi - Abadi:

Thank you for submitting the manuscript, "THE DYNAMICS OF RUBELLA VIRUS WITH TWO-DOSE VACCINATION STRATEGY" to Communications in Mathematical Biology and Neuroscience. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL: <http://scik.org/index.php/cmbn/author/submission/5411>
Username: abadi

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.
