3rd International Symposium of Earth, Energy, Environmental Science, and Sustainable Development

August 27-29, 2022 · Depok, Indonesia

We will hold the 3rd International Symposium (Hybrid symposium) on August 27th – 28th, 2022. We sincerely invite all interested national and international experts and enthusiasts from universities, institutions, organizations, businesses, and the communities themselves to connect and transmit knowledge. To date, we have signed contracts with a publisher in proceeding and journals (<https://symposiumjessd.ui.ac.id/publication/>). Before submitting your paper with us, we have to clarify our conditions to prevent any inconvenience during the whole publication process. The JESSD Symposium acts as a link between authors, reviewers, and publishers. We help authors to improve the quality of their papers through input from reviewers who are experts in their fields. The publisher has full responsibility to decide whether your paper is accepted or not. So in advance, we have to affirm from the beginning that:

The JESSD Symposium's committee can't guarantee that the submitted paper in whether proceeding or journals in our conference will be accepted and published by the publisher, the decision is depend on the publishers itself. In addition, we can't guarantee if the proceedings will be discontinued from Scopus in the future. We guarantee that all papers received in this symposium will be submitted to the publisher and, if accepted by the proceeding, will be submitted for inclusion in leading Abstracting and Indexing services, including Web of Science, Scopus, Crossref, Google Scholar. More information about our Terms and Conditions is available on our official website.
