Dear authors,

We received your submission to ICVEE 2022 (2022 THE FIFTH INTERNATIONAL CONFERENCE ON VOCATIONAL EDUCATION AND ELECTRICAL ENGINEERING):

Authors : Lusia Rakhmawati, Achmad Imam Agung and Miftahur Rohman
Title : Virtual Laboratory-Based Student Worksheets Development for Computational Thinking Practices
Number : 8415
Track : Engineering Education

The submission was uploaded by Lusia Rakhmawati <lusiarakhmawati@unesa.ac.id>. You can access it via the ICVEE 2022 EasyChair Web page

<https://easychair.org/conferences/?conf=icvee2022>

Thank you for submitting to ICVEE 2022.

Best regards,
EasyChair for ICVEE 2022.

Dear Rakhmawati

Congratulations!

We are pleased to inform you that your manuscript number 8415 entitled Virtual Laboratory-Based Student Worksheets Development for Computational Thinking Practices has now been ACCEPTED by 2022 THE FIFTH INTERNATIONAL CONFERENCE ON VOCATIONAL EDUCATION AND ELECTRICAL ENGINEERING (ICVEE), and submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements.

We will send you another email giving details on the final manuscript submission and registration process.

For the final manuscript:

1. You are required to revise your manuscript according to the comments and suggestions given by the reviewers (see below).
2. You are required to ensure that the similarity rating of your manuscript is less than 30%. Submissions with a similarity rating of 30% or above will be dropped and no longer considered for ICVEE 2022.
3. Please ensure that your manuscript has been checked for grammatical and typographical errors, and that your manuscript is IEEE pdf eXpress compliant by following the common IEEE conference style template. We will advise you with details on how to use IEEE pdf eXpress to generate your pdf file once the information is available. Maximum number of pages is 6. The ICVEE 2022 website will be updated with this information.
4. You will be required to transfer copyright of the manuscript to IEEE. We will update you with this information once it is available.
5. IEEE reserves the right to exclude a paper from distribution after the conference (e.g. removal from IEEE Xplore) if the paper is not presented at the conference.

Once again, congratulations on the acceptance of your paper. We thank you for your patience and interest in ICVEE 2022.

Sincerely your,
TPC-Chair ICVEE 2022
RR Hapsari Peni Agustin Tjahyaningtjas

----- The Comments -----

1. the abstract is too short
2. please use flowchart on the method
3. grammatical error should be fixed
4. please follow the IEEE template
5. conclusion is too short
6. please dont put table on the conclusion
7. the reference should be add up
8. why are many empty tables?
9. lack of discussion

AUTHORS: Lusia Rakhmawati, Achmad Imam Agung and Miftahur Rohman

----- The Comments -----

-overall, inconsistent tenses

-visualize research methods with flowcharts to make it easier for readers

-the number of students participating in this study needs to be explained and what level they come from

-the success of this research which is measured by numbers needs to be added at the end of the abstract

-Is there a formula used to measure the success rate of this research? if there is please add it in the method section

----- Overall evaluation -----

SCORE: 2 (accept)

TITLE: Virtual Laboratory-Based Student Worksheets Development for Computational Thinking Practices

AUTHORS: Lusia Rakhmawati, Achmad Imam Agung and Miftahur Rohman

----- The Comments -----

This is an overall well-written, informative, and concise article. However, some points are required to be confirmed:

1. The article should explain a technically solid piece of scientific study with supporting data.
2. The sample is 17 students. I suggest evaluating the worksheet with more students, at least 30.
3. What is the expert field of your worksheet?
4. How do you assess cognitive, psychomotor, and affective aspects?
5. What is the dimension of the questionnaire?
6. The limitation and future works should be written in the conclusion.

----- Overall evaluation -----

SCORE: 1 (weak accept)

Dear Lusia Rakhmawati,

On behalf of the committee, I would like to remind you that ICVEE 2022 will commence in three days. So, I'd like to tell and remind all presenters of some important things that need to happen for the conference to go well.

1. To view the ICVEE conference schedule (program book) and conference proceedings, please visit our page at <https://drive.google.com/drive/folders/1usZjqrcZgUkY8YWiuOjHIFC-8EXDIak>. You may also see this information in the ICVEE web page.

2. The information below indicates the zoom link where you can join in the ICVEE conference.

2022, the fifth ICVEE is inviting you to a scheduled Zoom meeting.

Topic: 2022 5th International Conference on Vocational Education and Electrical Engineering (ICVEE), 10-11 September 2022

Time: Sep 10, 2022 07:00 Jakarta

Join Zoom Meeting
